

Effective December 25, 2015

**Mobile Home Parks/Recreational Vehicle (RV) Parks**  
**Master-Metered (Demand Meter) Single Phase Service**

**APPLICABILITY**

This schedule is applicable to services that are single phase, standard voltage, and supplied through one point of delivery to a master-metered mobile home park or RV park for general domestic uses, including single phase motors of 10 horsepower rating or less.

**AVAILABILITY**

Service under this schedule is available at points on the Cooperative's interconnected system where existing facilities of adequate capacity and desired phase and voltage are available, and additional investment by the Cooperative for new transmission, substation, or terminal facilities is not necessary to supply the desired service.

**METER READ**

The meter will be read by the Cooperative on the 24th of each month at midnight.

**BILLING DEMAND**

The Billing Demand is the average kW supplied during the rolling 15 minute period at maximum use during the billing period.

**MONTHLY CHARGE**

The Monthly Charge is the sum of the Access Charge, Billing Demand, and kWh charge at the following rates:

Access Charge	Billing Demand	Kilowatt hour (kWh) Charge	SREC Rate Designation
\$105.00	\$3.00 per kW	\$0.037 per kWh	495

**MINIMUM CHARGE**

The monthly minimum charge shall be the Access Charge collected over 12 months.

**ABANDONED SERVICE**

Should a member's service be physically disconnected for a continuous 12-month period, the Cooperative reserves the right to physically retire the service anytime thereafter.
