Residential Single Phase Service

APPLICABILITY

This schedule is applicable to services that are single phase, standard voltage, and supplied through one point of delivery for residential service members and general domestic uses. Single phase motors, of 10 horsepower rating or less, are permissible.

When usage at a dwelling is used predominately for business, professional or other gainful purposes, the premises will be classified as a non-residential and the appropriate schedules applied. However, if the wiring is so arranged that the service for residential purposes can be metered separately, this schedule will be applied to such service.

AVAILABILITY

Service under this schedule is available at points on the Cooperative's interconnected system where existing facilities of adequate capacity and desired phase and voltage are available, and additional investment by the Cooperative for new transmission, substation, or terminal facilities is not necessary to supply the desired service.

METER READ

Meters will be read by the Cooperative beginning on the 24th of each month at midnight.

MONTHLY CHARGE

The Monthly Charge is the sum of the Access Charge and kWh charge at the following rates:

*Customer Class	Access Charge	Kilowatt hour (kWh) Charge	SREC Rate Designation, Outside Challis City Limits	SREC Rate Designation, Within Challis City Limits
0-200	\$38.00	\$0.060	110	210
201-400	\$53.00	\$0.060	112	212
